

NEHA ISHRATH

Frontend Developer | React.js | JavaScript

Hanamkonda, India | Gmail | LinkedIn | GitHub

Career Objective

Final-year ECE student skilled in JavaScript and React.js, focused on building responsive and user-friendly web applications. Passionate about frontend development and continuously improving through hands-on projects.

Education

Kakatiya Institute of Technology & Science, Warangal	B.Tech in ECE	9.74	2022-26
--	---------------	------	---------

Skills

Frontend: HTML5, CSS3, JavaScript (ES6+), DOM Manipulation, React.js, Responsive Design

Programming Languages: Java, JavaScript, C

Tools: Git, GitHub, VS Code

Projects

Personal Portfolio Website

- Built a responsive portfolio using HTML, CSS, and JavaScript with a mobile-first design
- Focused on clean UI/UX and optimized performance for smooth navigation
- Structured reusable UI sections for scalability
- Deployed the project and maintained source code using GitHub

React UI Components

- Developed reusable UI components using React.js and managed state using hooks (useState) for dynamic UI updates

ML-Based System for Early Detection of Myocardial Infarction

- Developed a machine learning model using medical datasets for early prediction of myocardial infarction
- Improved model accuracy through preprocessing and feature selection

Certifications/Trainings

- Web Development Training – CodTech IT Solutions
- Programming in Java – NPTEL (IIT Kharagpur)
- Problem Solving through Programming in C – NPTEL (IIT Kharagpur)
- Hands-on Python Course

Internships

Full Stack Website Development – EISystems

- Gained exposure to frontend and backend technologies
- Worked on deployment basics and web application structure

AI: Transformative Learning with TechSaksham – Edunet Foundation (AICTE Internship)

- Learned practical AI applications under Microsoft & SAP initiative
